### **Sunday Safari Lunch, 11 May**

The wonderful weather helped to make this a very enjoyable event. All the diners gathered in Rachel Blacklidge's beautiful, spacious garden for a leisurely choice of starters and drinks. The group then divided into 2, to enjoy main courses provided by Jane & Philippe Green, and Pat & Jim Boyd. Finally, desserts etc were taken at the garden of Elizabeth & David Wakefield, where a panoramic view added to the leisurely afternoon. Our thanks to the hosts for making this a very successful day.

RELAXING IN THE GARDEN

### **Lunch in the Garden, 3 August**

Malcolm Begley has again kindly invited us to his wonderful garden for a Summer Sunday Lunch. This will take place in August, so make a note of the date in your diaries. Details to come later.
