Advance notice

25-28 June 2010

This year's Quadripartite will be held in Château-Gontier in June, to coincide with their festival of Chalibaude. The French are anxious to have approximate numbers asap.

The best way to travel will be by car – sharing where possible. At this stage we just need to assess the level of interest. Therefore, could any members interested in going, please contact Pat Oatley, 463985, email patriciako@talktalk.net by **31 January**.

AGM 4 March 2010

Due to the heavy booking schedule for the hall, the AGM will be on Thursday 4 March. Each of the officers of the committee is nearing the end of their term of office, and after the 2011 Quadripartite, to be held in Frome, there will be vacancies for these posts. Can members please give serious thought to their replacements.

Bangers & Mash Supper, 12 November 2009

This was a very pleasant event, enjoyed by about 30 members and friends. Our thanks to the "chefs" of the committee for the tasty meal, and to those who donated crumbles to complete the meal. Thanks also to Hilary Daniel for the quiz which followed, it was unusual and thought provoking, especially the round of questions about Frome. The contest was close and the Bus pass +1 team, of Brian & Christine Potter, Margaret Brulais & Pat Eames eventually won by half a point.

Christmas Charity Fair 21st November 2009

On probably one of the wettest days of the year, we had a stall at this event. Our stall had a fine variety of goods for sale as I had been collecting things all year. I would like to record my thanks to everyone who gave me such excellent good quality items to sell which enabled us to raise £116.

Thanks also to helpers on the day, with special thanks to Pat Oatley who spent all day on the stall.

C Potter
